

10<sup>th</sup> December 2007

Dear All,

Christmas is already upon us. This is the time we all usually reflect on the past year and start planning the new one. What a year it has been for the Club. I still remember this rainy March week-end when the Committee met in Wellington to sign the first club constitution.

Since then we have been organising weekly training sessions even during the summer period. The assiduity and perseverance of the club members is already paying off as our first men team is currently leading the Division 2 West league.

The team will soon have the opportunity to take part in the play-off and play in the cup. The club will continue growing in the new year with the development of a women's team. We have a lot of female players capable enough, you know who you are. Please stick with us.

Thank you all for your determination.

If you are staying in Bristol over the festive session the following may be of interest:
